

January 24, 2013

To the Prequalified Proposers:

Reference is made to that certain Request for Proposals for the SR-91 Corridor Improvement Project issued by the Riverside County Transportation Commission (“RCTC”) on July 26, 2012 (as amended, the “RFP”). Initially capitalized terms not otherwise defined herein shall have the meanings set forth in the RFP.

- Addendum #1 to the RFP was issued on October 05, 2012.
- Addendum #2 to the RFP was issued on October 26, 2012.
- Addendum #3 to the RFP was issued on November 16, 2012.
- Addendum #4 to the RFP was issued on December 14, 2012.
- Addendum #5 to the RFP was issued on January 11, 2013.
- Addendum #6 to the RFP is hereby issued on January 24, 2013.

The RFP Documents listed below and, where available, redlined/tracking changes versions of the RFP Documents showing changes made to the RFP Documents listed below will be posted to the Project Website <http://www.rctc.org/doing-business/rfps-rfqs-ifbs/91-design-build>:

1. Volume I, Instructions to Proposers
 - a. ITP Exhibit D, Form M-1, Contract Price

All other RFP documents remain unchanged, except as amended by previous addenda.

Please note that, if a Proposer has already executed the Proposal Letter (Form A) and is unable to obtain an original signature to a new Proposal Letter as of the Proposal Due Date that reflects Addendum #6, RCTC will accept a facsimile/digital signature of the Proposal Letter as of the Proposal Due Date and the Proposer shall submit an original signature within 4 business days thereafter. Similarly, and as noted on the revised Form M-1, RCTC will accept facsimile or digital signatures on Form M-1 as of the Proposal Due Date, provided that Proposer submits an original signature on that form within 4 business days thereafter.

RCTC looks forward to continuing to work with you throughout the procurement process.

Sincerely,

Matt Wallace

ADDENDUM #6
TO
REQUEST FOR PROPOSALS
TO DESIGN AND CONSTRUCT THE SR-91 CORRIDOR
IMPROVEMENT PROJECT

Riverside County Transportation Commission
4080 Lemon Street, 3rd Floor
Riverside, California 92501

ISSUED January 24, 2013

This Addendum #6 to Request for Proposals is issued by the Riverside County Transportation Commission ("RCTC") with respect to that certain Request for Proposals for the Design and Construction of the SR-91 Corridor Improvement Project issued by RCTC on July 26, 2012 (as amended, the "RFP"). Initially capitalized terms not otherwise defined herein shall have the meanings set forth in the RFP.

The RFP is hereby clarified and revised as follows:

Attached hereto are amended versions of the following documents, each of which replaces the versions of such documents issued prior to the date hereof in their entirety:

1. Volume I, Instructions to Proposers
 - a. ITP Exhibit D, Form M-1, Contract Price

Please note that, if a Proposer has already executed the Proposal Letter (Form A) and is unable to obtain an original signature to a new Proposal Letter as of the Proposal Due Date that reflects Addendum #6, RCTC will accept a facsimile/digital signature of the Proposal Letter as of the Proposal Due Date and the Proposer shall submit an original signature within 4 business days thereafter. In addition, the new Form M-1 includes directions thereon concerning facsimile/digital signatures and requirements for submissions of an original signature.

Except as expressly modified by this Addendum #6, all documents, terms, conditions, limitations, plans and procedures for the procurement process for the SR-91 Corridor Improvement Project shall be those set forth in the RFP.
